

# How To Find The Perfect Band For Your Wedding

1. Consider your wedding's live music needs to narrow your options down.
  - ❖ Determine your budget ahead of time.
  - ❖ Define your style. Key Signature Weddings works with jazz, rock, country, and variety bands that play all the dance hits.
  - ❖ Consider size or volume restrictions at your venue, and shop accordingly.
2. Navigate to the Key Signature Weddings [Live Music](#) page to begin searching.
  - ❖ Filter by 'Type of Event,' 'Style,' or search by name/keyword instead.
3. Click on individual artist profiles to view more material including bios, videos, pictures, and song lists.
4. Once you've found one or more options that you like, you can:
  - Click the "BOOK NOW" button on the profile of the band that you like.
  - Click "HOW TO BOOK" page on our website and fill out the form, and note any specific artist names of interest.
  - Call us at 704-568-1968 to speak with a Key Signature representative about the artist(s) you're interested in.
5. After we receive your call or email, a Key Signature representative will reach out to you directly to get more specific information about your wedding, or to discuss artist availability and pricing.
